Preamble of Alcoholics Anonymous

ALCOHOLICS ANONYMOUS is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism. The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership; we are self-supporting through our own contributions. A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy; neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.

What is Al-Anon?

Al-Anon Family Groups are a fellowship of relatives and friends of alcoholics who share their experience, strength, and hope in order to solve their common problems. We believe alcoholism is a family illness and that changed attitudes can aid recovery.

Al-Anon is not allied with any sect, denomination, political entity, organization, or institution; does not engage in any controversy; neither endorses nor opposes any cause. There are no dues for membership. Al-Anon is self-supporting through its own voluntary contributions.

Al-Anon has but one purpose: to help families of alcoholics. We do this by practicing the Twelve Steps, by welcoming and giving comfort to families of alcoholics, and by giving understanding and encouragement to the alcoholic.

WHY DO WE HAVE TO PAY TO ATTEND MBAR

It's true that A.A. membership is free, and meetings and most A.A. events are self-supporting in the spirit of the Seventh Tradition. These events require months of planning, preparation and money presented upfront to the hotel and other business facilities involved. Additional expenses include the printing of flyers, schedules, postage and supplies, not to mention renting meeting space, insurance coverage, and travel and accommodations for the invited speakers, many of whom live a thousand miles or more from the convention site. A.A. members are not paid to share their experience, but as invited guests of a convention or conference, their expenses are generally reimbursed. Registration fees cover costs for special events, and those who wish to participate in the Convention to pay their own way in the spirit of the Seventh Tradition. According to the aforementioned Guidelines, "there's no substitute for common sense here; the committee must take a business-like approach to finances and keep expenditures somewhere within a conservative estimate of anticipated revenues. We are fully self-supporting in funding this event. Remember, all registrations pay the expenses for this round-up.
